General Manager

We are seeking a strategic, entrepreneurial, and critical thinker with 5+ years' experience in the construction industry within management and business development roles.

Qualifications

- Good organization skills
- Good customer service skills
- Good attention to detail
- Able to perform physically demanding tasks
- Work to complete tasks efficiently in a timely manner
 - Dependable/reliable

Summary of the Role

You will be an outstanding leader for the organization to grow, scale, and diversify their service offerings. The General Manager will lead the day-to-day operations. You will leverage your in-depth knowledge of the overall construction process. To be a true mentor to the team you lead with the goal in mind to drive accountability, ensuring projects are completed on time, on budget and result in a high level of client satisfaction. Your industry expertise, strategic business acumen and tenure in leadership roles will provide the foundation needed to ensure you balance your time accordingly across the management of employees, finance, business development, project delivery and estimation oversight.

What we offer

- Competitive salary
- Extended Health and Dental Benefits
- Short-Term and Long-Term Disability
 - Life Insurance
 - Casual Dress
 - On-site parking
 - Corporate Events
